Response to Amendment

The proposed amendment filed Dec 6, 2005 fails to acceptably respond to the Notice of Non Compliant mailed Oct 3, 2005. Applicants fail to address the problem to the specification, and the amendment claim is not presented as per Office's rules. Further, the original claim is the one presented in the original filing, since all other proposed amendments have not being entered. All changes have to be made to that claim.

Applicants must, if they wish to continue prosecution of the application, to buy extensions to time in order to extend the period for response beyond Nov 3, 2005. Please note that the period to respond continues to run from the mailing date of the Notice of
